Inspired by faith devoted to humanity

Muslim Charity seeks a world of hope, tolerance and social justice where poverty has been overcome and people live in dignity.

For almost two decades, we have been delivering aid and development programmes to transform the lives of the world's most vulnerable communities. We serve the poor and impoverished as a demonstration of God's unconditional love for all people regardless of race, religion or gender.

UNDERSTANDING

In order to provide effective relief we try to understand the particular needs and demands of the people we are attempting to help.

ACCOUNTABILITY

We aim to hold ourselves accountable for our actions before we are held accountable by others and God. Consequently, at Muslim Charity we aim to carry out our tasks with honesty, care and love for humanity.

TRUST

Muslim Charity expects all its staff and volunteers to respect their responsibilities and work professionally and with integrity to gain the respect and trust of those around them and the public.

INTEGRITY

Each person has the right to live and be treated with dignity and integrity. Muslim Charity upholds these principles of humanity while ensuring that we have integrity in all our actions.
